Acres of lush-green Campus with Residential Facility

**VGU Awarded  
Most Preferred  
Private University  
of the Year - West**

12th ASSOCHAM Education Summit

॥ आ नो भद्राः क्रतवो यन्तु विश्वतः ॥

Aano bhadra krtavo yantu vishwatah from Rig Veda.  
“Let noble thoughts come to me from all directions”

### *Vision*

We will develop as an institution with a commitment to excellence in education, research and consultancy and we will nurture and promote human advancement. Our goal is to make the university a preferred institute for young women and men who are aspiring for productive careers. We want to develop them as professionals of global standard.

### *Mission*

To promote quality education, training, research, consultancy and enhance employability and entrepreneurial skills of our students. To integrate industry with academics in order to prepare our students in an immersive way for the world of work. Developing effective interface with the industry and other institutes within and outside the country is the cornerstone of our approach. To meet these ends, we encourage and nurture overall development of students.

### *Values*

Swami Vivekananda advocated the concept of 'total development' of human being, which includes physical, mental and spiritual development. He also advocated incorporation of science and technology in curricula and laid emphasis on technical education that will develop industries. Our core values are inspired by Swami Vivekananda's philosophy, and our institutions are founded on his thoughts and ideas. Our goal is to develop the physical, mental, emotional, secular and spiritual faculties of our students with a view to make them professionals of global standard and responsible citizens.

॥ उत्तिष्ठत जाग्रत प्राप्य वरान्निबोधत ॥

**Arise Awake Achieve**

Vivekananda Global University, Jaipur is the leading private university of Rajasthan established by Rajasthan State Assembly Act No. 11/2012 and sponsored by Bagaria Education Trust, Jaipur. The University is currently headed by Dr. Adarsh Kishore, Ex-Finance Secretary, GOI and Ex Chairman Axis Bank Ltd, as Chairperson ( Chancellor), Prof. (Dr.) M. Raisinghani, Former Director, MNIT Jaipur is the Vice-Chairperson and Prof. Y.K. Vijay, a leading researcher is the President (Vice Chancellor) of the University. The University is offering courses in the field of Engineering, Architecture, Design, Basic and Applied Science, Management, Commerce & International Trade, Law, Hotel Management, Pharmacy and Agriculture.

The University focuses on Research, Innovation, Entrepreneurship and Placements. This is being done with the help of various collaborations with International universities such as Swansea Metropolitan University, Edinburgh Napier University and research labs such as CEERI Pilani, CSIO Chandigarh, companies such as Infosys, TCS & Accenture. The University has Wadhvani Centre of Excellence i.e. Incubation Centre in collaboration with NEN and Headstart Network

VGU is located in the cultural and heritage rich city of India, Jaipur. Here, at the university students are provided with ample amount of opportunities to develop on all fronts; personal, professional, Emotional and Spiritual.

The University firmly believes in words of the great philosopher and educator Swami Vivekananda.

*" Education is the manifestation of the perfection already in man "*

# Aspire to Achieve

**Dr. Adarsh Kishore**

Chairperson, VGU  
Former Chairman, Axis Bank Ltd.  
Former Executive Director, IMF  
Former Finance Secretary,  
Govt. of India

*It is my great pleasure to welcome new talents every year to the Vivekananda Global University, which is brimming with fresh vigor and energy. I hope every prospective student of the university is teeming with high spirits and enthusiasm. We had commenced our passionate journey with keen students and expert faculty members whose dedication and hard work laid foundation of growth. The emphasis is on building excellent professionals with state-of-art knowledge base and a global perspective. A conducive environment at the University helps in building and shaping a student's personality holistically, leading them to become enlightened job seekers and job creators. I personally believe that students learn better outside classrooms with practical experience from life and therefore, we have established extensive laboratories and pedagogy approaches for creating and fostering well rounded broadly 'educated' young persons.*

*With my best wishes.*

\*\*\*\*\*

*It gives me immense pleasure to address all the readers of Vivekananda Global University brochure because the readers are surely the people who are in the quest for learning which may be either for themselves or for their kinspersons aspiring to achieve higher education and to prosper in the competitive world.*

*Learning is continuous process, as we march towards becoming a 'Center of Excellence' the role of each of the stakeholder's viz., Trustees, Board Members, Officers, Staff, Students and wider community becomes increasingly important. We aspire to be a cutting-edge university, to anticipate the needs of the future and meet them here and to create an environment that supports teaching, learning and research.*

*Our university has taken firm steps in the direction of industry linked education model and we are continuously having our eyes on the needs of the industries and introducing education programs to see ourselves worthwhile and true in our aspirations.*

**Dr. K. Ram  
(Retd. IPS)**

Chief Patron  
Former DGP, Manipur

*With my best wishes.*

\*\*\*\*\*

**Prof. (Dr.) M. Raisinghani**

Vice Chairperson, VGU  
Former Director, MNIT Jaipur

*An endeavour bears fruit only when there is a clear vision coupled with a strong determination to achieve it. Since its inception, VGU have been trying to put this concept into practice. The severely competitive world of today offers vast opportunities for those who are willing to keep pace with the changing world. In order to succeed today, one needs right education, skills and strength of mind. Simply speaking, opportunities today are for those who aim at achieving excellence. Ambition is the fuel of achievement. For sure, at VGU we are fired up and fuelled by an ambition to achieve excellence. We aim to provide students with leadership, management, communication skills and professional ethics serving as a foundation for future development and career success.*

*With my best wishes.*

**Dr. K. R. Bagaria**  
Founder  
VGU & VIT Campus, Jaipur  
SKIT, Jaipur

*With the robust growth of Indian economy and its indispensable participation in the global arena, we endeavour to contribute our bit in this process by providing conducive and encouraging environment for the growth of quality education, effective industry- academia interface and constructive research. The nurturing and culmination of well rounded professionals possessing global competencies with firm grounding in their culture and value system is the challenge that we have set for ourselves to meet through our institutions . To ensure enhanced employability of our students, great emphasis has been laid on keeping them abreast with the latest technological advancements through persistently providing them with the state-of-the-art infrastructure in consonance with contemporary and future needs of the global industry.*

*Vivekananda Global University will be gateway to success for years to come, once such exemplary global standards are established.*

*With my best wishes.*

\*\*\*\*\*

*As a new academic year unfolds, higher education institutions continue to find themselves in a period of flux and transformation. Rapid Growth in higher education has brought with it challenges of student strength, varying quality of students and issues of long-term sustenance. Amongst the challenges, lies the opportunity of strengthening the system and processes, re-organizing and to go for resource optimization. This lays the foundation for a strong sustainable future. The authorities of VGU and all the staff members working in university and constituent colleges are constantly engaged in the development of sustainable student community development which will reward to the nation, region and university by increasing students marketability and successful placement by finding their steps in competitive market.*

*With respect, admiration and appreciation, I invite all the stakeholders to join in for creating a sustainable future for this great University. Let us work together serve together, and yes, sometimes even sacrifice together, for the flourishing future of this University and higher education. Then, regardless, we win together. Let's find positivity and let's be connected always for education growth.*

**Prof. (Dr.) Y. K. Vijay**  
President, VGU

*With my best wishes.*

\*\*\*\*\*

**Er. Onkar Bagaria**  
CEO, VGU

*The academic session has continued to provide an excellence driven, world class and holistic education provided by our institutions. We have thoroughly worked upon this respect for traditions, together with a progressive attitude towards the future, academic rigor with a caring heart, and an appreciation of the individual with the warmth of a cohesive school community.*

*Education is changing rapidly. New initiatives in terms of teaching methodology and best practices from the world's renowned institutes need to be integrated on a regular basis. Our results every year speak for themselves both academic and non-academic in all fields. I urge our faculty in confidently repeating the same and bettering it with the best of their ability. My wish for VGU is to inculcate in our students a caring attitude for self, for others, for country, for the world and of course for the environment.*

*With my best wishes.*

keeping with the changing demands in education, Vivekananda Global University offers a redesigned curriculum that prepares you for the future workplace. The learning methodology integrates multi-disciplinary and contemporary global pedagogy across Law, Management, Sciences & Engineering and Technology along with skills and competencies such as critical thinking, problem solving and working in cross-functional teams essential constituents for modern day success. Programs are globally recognized and accredited to various national and international academic and professional organizations.

## International Collaborations

## Academic Partners & Centres

## MOU & Tie-ups

MoUs and tie-ups at Vivekananda Global University are signed keeping in mind the market's current scenario and technologies demanded today. Memorandum of Understandings developed between universities and the top companies is to ensure that students are well-updated with the ongoing trend in technologies. Top companies like BOSCH, ACCA, Mitsubishi electric, TCSION, etc. have signed MoUs with VGU. As VGU is hitched with some top International Universities, this is very beneficial for students as they are providing students with market exposure, certification courses, special training sessions, Research parks with advanced technologies, online examinations, free software services and much more. VGU makes sure of the fact that these signings not only make them aware of the latest technologies, but it also encourages the work of students and the start-ups driven by them. Through this, students get the much needed market exposure. Hence, opportunities open up wide and their hard work is manifested in front of the world.

# Creative Communities

Visit [www.vgu.ac.in](http://www.vgu.ac.in) for more details

With 21 exceptionally innovative clubs, VGU fosters a campus environment that empowers in students a desire to co-create experiences in partnership with others. These Clubs offer fun means of developing and honing leadership skills and the ability to work collaboratively on a common goal. The diversity of the clubs and organizations mirrors diversity of the students in terms of their backgrounds and interests.

**21+**  
Student Driven  
Clubs

## Vivekananda Social Services Association (VSSA):

It's an association that solely dwells on the idea to inculcate the feeling of humanity amongst the society through active participation of faculty members as well as students. Main focus of VSSA club is to uplift the lower sections especially the deprived children by quoting and improving related issues and bringing in basic awareness among the affected people & to nurture and protect our environment. Other clubs like Art Book for Creative people, Green Roots for Agriculture Department, Law Lounge for Law Department, Research and Development, Sports, Robotics Club are also functional for the university students.

## National Cadet Corp Club:

N.C.C. is a dynamic organization of young boys and girls all over India. It plays an important role in inculcating values of character, patriotism, unity and selfless services amongst the youth. NCC provides a platform for self-development and helps to channelize their energy and potential towards nation building.

## Toastmaster's Club:

VGU Toastmasters club is chartered under the auspices of Toastmasters International, California, USA. Here the members of the club learn and practice skills of effective and formal communication, presentation and competent leadership through manuals and programs designed by Toastmasters International. Student members of the club have brought laurels to the campus, the club and to themselves by winning and showcasing their skill set at various platforms.

## E-Cell "Decoller":

EDC started Centre for Innovation and Entrepreneurship Development that provides a platform to start-ups prospective entrepreneurs to convert their innovative ideas into commercially viable products through high-impact entrepreneurship education; access to mentors and experts; fast-track access to incubation and funding.

## Academic Events

Energy Conservation Building Code (ECBC), Training

In the interest of awareness and empowerment, VGU invites eminent speakers for guest sessions, presentations and panel discussion on campus. Annually 18-20 academic events are organized, aiming at inspiring students with their life journeys despite their struggles, instilling hope and convincing them to face challenges with confidence. It also gives students an insight in the professional world. By attending these events and presentations, students get a chance to learn and improve their own skills and knowledge. This also enables students in creating their own network in their professional field

**Khoj Prayas** is our event which aims to create a platform for various scholars to come forward & showcase their research & study by presenting it to fellow scholars. white papers are published in our Research Journal "Khoj".

**National Project Exhibition** is a National-level Project Exhibition seminar which provides a platform to various students to showcase their talent by exhibiting their projects in front of renowned professors & dignitaries. Input given by the dignitaries also guide them in taking their project work to a new dimension.

### International Conference on Recent Trends in Environment Sustainable Development

RTESD-2018 is focused on the Environment related issues and their possible solutions. Sustainability of the environment is one the key issue in the present scenario where global development is making a great impact. This conference is an opportunity for the researchers, academicians and scientists to bring their ideas together for the sustainable overall development.

**NSPS** For the overall benefit of student's community, the Department of Electrical Engineering organized an Expert Talk cum Seminar on Power System on 27th March, 2018 to add up a another feather in the cap of academic history of VIT, Jaipur. The Seminar provided an opportunity to make career in power sector by understanding the need of it, skillfully use the knowledge for organizational benefits and practices for industry growth.

**RAPSE** The conference gave platform to people from academia and practicing engineering to interact on the cutting edge issue related to the power system. The major objective of this conference was to exchange ideas of the recent technological developments related to the power system engineering and enhancing the knowledge related to the modern trends in electrical engineering.

**Computatia** The conference brings together experts, researchers, faculty members, students and the leaders of industries for sharing their knowledge and expertise in the related field of Computer and Mathematical Sciences. The aim of Computatia is to synthesize ideas from different fields into a unique approach to the subjects allowing insights not possible in any one discipline.

Ramp Walk, Stambh (Annual Architectural Fest)

### EVENTS @ CAMPUS

- PANACHE ( ANNUAL CULTURAL FESTIVAL )
- FRESH CHILL ( FRESHERS PARTY )
- STAMBH ( ARCHITECTURAL FESTIVAL )
- ENCODE ( DESIGN CARNIVAL )
- VIVEKOTSAV ( YOUTH DAY )
- SAYONARA ( FAREWELL PARTY )
- E-WEEK ( CELEBRATION OF ENTREPRENEURSHIP )

**Fresh Chill** VGU's legitimate on-paper Fresher Party for the new additions to VGU Family i.e. the 1st year students. The party is generally organized by the 2nd year students for the new incoming batch. The party includes various cultural events followed by a lunch exclusively organized for the new entrants.

**Sayonara** Our Farewell party for the outgoing batches i.e. the final year students. The pre-final year students host this party. The final year students are facilitated by various honours like Mr. Talented, Ms. Talented, Mr. Handsome, Ms. Handsome, Mr. Technical, Ms. Technical, Mr. Placement, Ms. Placement etc. followed by a cultural evening and a dinner hosted for the outgoing batch.

**Vivekotsav** is celebrated every year on the Swami Vivekananda's Birth anniversary. Students are enlightened with great vision and various teachings of Swami Vivekananda by eminent speakers.

Rapriya Balam at Celebrity Night

**Panache** Our Technical-cum-Cultural extravaganza is a three day event of true hearted celebration at our campus. The festival consists of numerous events hosted by the University in various dimensions like Cultural, Technical, Sports, Literature, Management etc. Students & Faculties from various colleges across the country are invited to be a part of this festival. The Campus is lively these three days with thousands of participants, with their true enthusiasm, participating in the various events. Some of the events like Kavi Samelan, Robotron, Fashion Show, Dance Competition, Coding, Gaming etc. are the heart & soul of the event. Panache, over the years, has been honoured by the auspicious presence of dignitaries visiting the Campus on the eve of the fest.

Panel Discussion during E-WEEK

**E-Week** marks the celebration of entrepreneurship spirit of students. With students putting in efforts round the year to fulfill their entrepreneurial desires, E-Week - hosted by Wadhvani Foundation's NEN, gives them a platform to showcase their efforts and even rewards them for the same. It is a week-long event where the entrepreneurial flame is enlightened to a whole new level and the entrepreneurial awareness is spread across various communities like school students, villages, social media etc.

## Campus Life

At VGU, when not occupied with academics, students find themselves immersed in pursuing creative hobbies and interests through clubs and societies. These prove to be an ocean of opportunities to contribute to and enrich the campus experience culturally and intellectually. At VGU, clubs and societies are autonomous bodies which design their own leadership structure and modes of functioning. A "society" is an umbrella of two or more clubs with diverse pursuits, brought together by a focal interest area. A "club" on the other hand has a very definite field of work it is committed to.

## Testimonials

**Aman Jain**

CEO, Nirmaan Services  
Aayojan Events

*I was first attracted to VGU & VIT Campus education because of the reviews I read regarding being very hands on, not just training. I'm glad I went through the program because I literally enjoyed every aspect of the course. My time at VGU truly changed who I am and who I want to become professionally and personally. The culture at VGU fostered the sharing of ideas, critical decisions and collaboration among students and faculty across a wide range of interests. I think its rare to find a large group of people with entirely different methodological and theoretical backgrounds enthusiastically discuss a common topic. And at VGU, that happened every week. Students were encouraged to explore and experiment which allowed each student to find his/ her niche of interest. Every single student's intellectual potential was fully explored owing to the rigorous training and constant membership one gets from the university*

*My time at VGU & VIT Campus has prepared me for challenges handling a business by instilling a critical analysis approach to problem-solving and an appreciation of multi-disciplinary pedagogy. I would recommend pursuing a degree course of your choice at VGU because the faculty makes maximum efforts to realize your full potential. Your peers are diverse and interesting and come from all walks of life and life experiences. VGU has grown and changed, yes, but even after all these years, its ethos has remained the same.*

**Anirudh Sharma**

CEO, Mr. Repair

**Saurabh Fageria**

Financial officer,  
Honeywell, Sydney

*First of all I thanks to all VGU & VIT Family, The supportive faculty here helped me pertain various aspects of marketing dynamics and apply the same in real life. What has been the most influential for my career were the internship opportunities and course offerings. I had a chance to interview with the most prestigious companies, which may not have been possible had I not joined this Campus. If I had to sum up my education and stay at VGU, I'd say it was the most academically rewarding experience I've ever had.*

*I greatly appreciate the caliber, diligence and enthusiasm of professors at VGU & VIT Campus. They are committed to both theory and practice. You are given a number of case studies to work on and you're encouraged to ask as many questions as you can. Guest lectures and seminars are organized on a regular basis and the students get to train with highly qualified professionals to gain a better, clearer view of the professional world. Studying at this Campus has been the biggest stepping stone to where I am now.*

**Janak Arora**

Digital Consultant, France

"Amazon would like to thank all the students of Vivekananda Global University, Jaipur, faculty and college placement team, for a great recruiting season! We saw high calibre of education and discipline in the team that represented your college and we are happy to continue this association with you."

*Sumit Rastogi*  
Amit Takalkar D2TS Manager

"The campus process was conducted with a good infrastructural support and strong administration. This helped us run the entire process efficiently and effectively. The students exhibited discipline and were receptive in the entire process. We enjoyed interacting with them!"

*Rohit Soni*  
Training Manager

"A big thank you for all the support and arrangements organized to make the "AQ" Recruitment Drive a smooth process. The arrangements and support was truly professional and we really appreciate, leadership, management of VGU & VIT Campus, Jaipur and the team for all the efforts put in making it possible. Special mention to the student's volunteer team who made the coordination simple and easy."

*Neerav Naik*  
Technical Recruiter

"I found VGU & VIT Campus, Jaipur has the best practices. I will take this experience and provide the feedback to other campuses."

*Narayan Gurav*  
Deputy Manager HR

"The Institute and staff are excellent. It was my pleasure to have time with them. VGU & VIT Campus, Jaipur students are trained to be apt for any corporate role. Their intense interest, persistent attitude and intellectual curiosity drive them to get deeply involved in their work and excel in it. In my opinion they have a rich blend of creativity, temperament and discipline required for a person to stand out."

*Er S.N Joshi*  
Director A.K.G/Guman group

"Wipro BPO has been a regular recruiter at VGU & VIT Campus, Jaipur for many years now and we have been experiencing a set of very professional and well-groomed candidates for our recruitment. The institution has a good talent pool of fresh minds that have been trained to become industry ready in state of the art infrastructure with a very high focus on technical capability as well as soft skills of students.

We have been getting excellent support from the management as well as career development cell in all our engagements with the college and we would like to make this association bloom further in times to come. This will add to our talented global workforce pool and enable our organization and society to reach greater heights. I wish the institution all the best to become a destination of choice in the sphere of engineering education. "

*Rahul Bhatia*  
Manager- Talent Acquisition
